Calendar 2022
GUS - Gruppo Umana Solidarietà

This calendar was conceived thanks to the contribution of our partners in the project "The plural identity of the Mediterranean – A white sea in between", each indicating the festivities and anniversaries they considered appropriate. While compiling it, we repeatedly asked ourselves whether to include some of them, and whether we had enough knowledge to be able to make the best choice, if it was right to do so or, on the contrary, censorious, ethnocentric. We have decided to allow the reader the same opportunity we had, the chance to use the calendar as a tool for further study, for learning about others, for inner dialogue and collective reflection, as a chance to temporarily abandon our point of views, to withhold judgement and embrace the content, to look up its history, to contextualize it, to engage in reflection and dialogue.

For further additions, comments and suggestions, please contact us at plurale-mediterraneo@gus-italia.org

The Gruppo Umana Solidarietà “Guido Puletti”(GUS) is a non-governmental organization that was founded in 1993 by a group of volunteers to provide aid to people affected by the war in former Yugoslavia. In almost thirty years, the GUS has developed projects ranging from cooperation and development to humanitarian emergencies, from the protection of human rights to reception and integration of asylum seekers and refugees, from management of assets confiscated from organized crime to implementation of cultural projects against educational impoverishment.

The GUS aspire to a fair and just world, free of poverty. Its operations are focused on sustainable development and social solidarity to ensure integration and social cohesion. Through projects in low-income countries and the integration of foreign nationals in Italy, the GUS wants to build upon its experience and ensure the necessary conditions required for everyone to be the architect of their own destiny, allowing each person to be the protagonist of their own and the community's development.
